Hi,

I emailed Paul Robitaille to make sure he sends you a letter asking for permission to publish the Robitaille receipt.

His telephone number is 406-586-3869

This is the note I was talking about, I presume you know more about it than I do, I purchased it because it is signed by a Desloge ancestor, Jules Desloge,

And a Mullanphy cousin, Chambers.

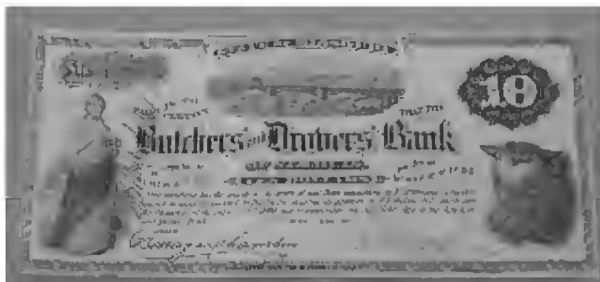

If you open the attachment it can be blown up.

I purchased it at least 15 years ago from Tom Kolbrenner at Midwest Money. He is no longer in the business but if you are interested I will call his ex partner to see if they kept any.

I think I paid \$200 for it, but I have no idea what it was worth at the time or now.

Thanks

Maurice R, Meslans
